

Vertical Balers

B-series

Baler B5 Wide

Wide feed opening

An extra wide feed opening to accommodate large and bulky materials. Toss large boxes straight into the machine without breaking them down.

Suitable for any application

This single-phase machine is user friendly and easy to install in a variety of different industries.

Highlights

- High capacity – large output
- Wide feed opening (39 in.)
- Retainer dogs hold down compacted waste
- Auto-eject system
- Store and refill bale cord in front
- Single-phase power pack
- Meets ANSI and OSHA standards
- Powder Coating provides durable finish in many colors.

Optional Extras

With our monitoring system BRA-IN you can control and optimize your baler fleet.

Balers are available in other RAL colours which you may choose.

Block access to baler controls with auto lock.
