

Vertical Balers

X-series

Baler X6030 LP

Low profile 60" baler

The X6030 LP is low profile machine that fits installed under an 8 foot ceiling, and still makes a full 60" bale.

Heavy duty and high pressure

With 88,000 lbs of pressure, an almost fully penetrating press plate and a heavy duty frame, this machine can handle PET, alu cans as well as cardboard and stretch wrap.

Highlights

- Full 60" bale
- Less than 92" installed height
- Front tie off - can be placed up against the wall or inside rack
- Can be used for cardboard, stretch wrap, PET, alu cans etc.
- Quiet Power Unit -- noise level like an office printer
- Compliant with ANSI and UL regulations
- Powder Coating provides durable finish in many colors

Optional Extras

You can always order our balers in custom colors, and get your stickers placed on them as well.

Built-in Intelligence monitoring system - called BRA-IN, optimizes use and logistics.

A digital auto lock will prevent unauthorized users from running the baler without a 4-digit code.
